## Monarch Chef Station

(Chef included)

Action stations are the perfect opportunity to wow your guests with spectacular displays and freshly cooked food for a memorable experience. Action stations can be a simple station such as our pasta station with a chef, dressed in immaculate whites, or a grilled station to impress each guest. No matter what station you select, options for each are abundant. Choose two of the three options below to keep the idea fresh, not gimmicky.

Choose a simple approach to allow the food to entice each patron.
